

Jean Monnet Center of Excellence Strategic »Observatory Europe 2030«

1st Summer School: »Open Innovation 2.0« Europe and its uncertain future

PROGRAMME

Date: from 6th to 10th July 2020

Location: Zoom, hosted by School of Advanced Social Studies / FUDŠ, Nova Gorica Slovenia

The Summer School of **SOE2030** aims to provide different topic and with an in-depth understanding of the relationship related to development of grand strategic vision for *Europe 2030*. Also the aim of Summer School is to provide prospective goals of delivering successful, smart and inclusive growth, through variation, selection and retention of relevant political-economic discourses. This event will bring together the students (future professionals and practitioners), current professional active in relevant field, as well as other interested stakeholders (businesses, civil society etc.).

As a result, **Summer School SOE2030** will improve interdisciplinary EU studies and deal with the phenomenon of EU implementation discrepancy, with a view to offer **research and educational tools** that could be **utilised throughout Europe**. Incorporating the key elements of **Open Innovation 2.0** (a new paradigm where academia, policy-makers, industry and civil society work together to co-create structural changes far beyond the scope of individual actor), taking into account the **Cultural Political Economy** (analytical approach providing relevant tools and strategic ideas on the EU, national and regional levels), provide the basis for research activities.
